H2020 supports **SMEs** with a new instrument that runs throughout various funded research and **innovation** fields, enhances EU **international research** and Third Country participation, attaches high importance to **integration of social sciences and humanities** and encourages development of a **gender dimension** in projects.

▶ **“Cross-cutting and other key features”** (from *Horizon 2020—Work Programme 2017-2017*)

“All applicants are invited to explore whether and how the **gender dimension in research content** is relevant to their research, including where appropriate specific studies and training.”

**THE NICHE** & ONLY HALF-A-DOZEN COMPANIES HERE TODAY!

THAT IS THE DIFFERENCE  
BETWEEN 14,1 AND 14,2

**gender internationalisation**  
**interdisciplinarity innovation**
